Mail Stop Amendment  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

**AMENDMENT RE-SUBMITTING TERMINAL DISCLAIMER**  
**AT REQUEST OF THE EXAMINER**

Honorable Sir:

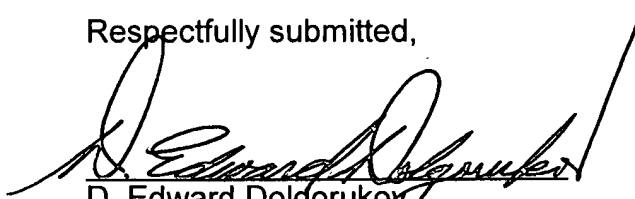

In an Office Action dated May 4, 2006, all the pending claims (82-86) were rejected on the grounds of non-statutory, obviousness-type, double patenting over claims 1-42 of U.S. Patent No. 6,068,609.

In the amendment dated May 17, 2006, in response to the Office Action of May 4, 2006, a terminal disclaimer was filed to overcome the non-statutory, obviousness-type, double patenting rejection over claims 1-42 of U.S. Patent No. 6,068,609.

In an Office Action dated October 12, 2006, the Examiner in charge of the present application, Mr. Manuel Mendez, has requested the re-submission of the terminal disclaimer because "For some reason the new Edan System has not approved this document".

The undersigned Attorney of Record is pleased to re-submit the original of the terminal disclaimer, which was sent by facsimile with the amendment of May 17, 2006, to comply with the Examiner's request. Since the terminal disclaimer fee was paid with the submission of May 17, 2006, no additional fee is believed due.

Respectfully submitted,

D. Edward Dolgorukov
